

SOMA FALLOUT

ELNATHAN STARNES

Shutdown isolation cubicle
Half-baked, half-naked citizen
Dipped in pro-Nounury
Meta faced slaves in denial of an
After-the-end-of-the-world-reality
They walk with their beloved familiars
Carrying a tablespoon of water to a burning building
Headstrong is the middle name
Hard-headed, head hard, anxiously waiting for entry
Makin' the game so hard

This is the SOMA fallout
